

## Errors in single layer $|\mathbf{u}^s - \mathbf{u}_{ex}^s| - O(h^3)$ method

The rows, top to bottom, show results using  $n = 100, 200, 400, 800$ .

The columns, left to right, show errors obtained with  $T[G]$ ,  $T[G] + E[H]$ ,  $T[G] + E[H] + E[B]$ .

## Errors in single layer $|\mathbf{u}^s - \mathbf{u}_{ex}^s| - O(h^4)$ method

The rows, top to bottom, show results using  $n = 100, 200, 400, 800$ .

The columns, left to right, show errors obtained with  $T[G]$ ,  $T[G] + E[H]$ ,  $T[G] + E[H] + E[B]$ .
